"IDOLS OF CLAY" AT THE BUTLER TODAY

effects and knowledge of what con displayed in "On with the Dance," Cheapest Store is said to be contained in his latest photoplay, "Idols of Clay," which will be the attraction at the Butler two hours, all would be well. This today. The story a romance of two widely divergent worlds, was written by Oulda Bergeree, and no expense has been spared in making i one of the most lavishly produced and spectacular pictures of the season. Mae Murray and David Powell are again the featured players. Miss

Murray has the role of a pretty English girl, brought up in innocence on a remote South Sea island, despite the fact that her father is a pearl smuggler and, with his disreputable partner, guilty of almost every crime on the calendar. A young English sculptor, trying to forget an unfortunate love affair.
